F203 ADJUSTABLE BENCH

LINE › FreeMotion® EPIC
TYPE › Epic Free Weights
MODEL › F203

FEATURES & BENEFITS

MULTIPLE SEAT POSITIONS › Quickly adjust the seat to your desired settings with the pop-pin adjustment. The backrest tilts from -5 to 80 degrees and the seat adjusts to a 30-degree incline for a comfortable fit. **EASY PORTABILITY** › To increase the portability of this adjustable bench, it was designed with 3-inch transport wheels and an easy-grip handle. Simply lift the bench and roll to your desired fitness area. **SEAT** › Designed with high-quality vinyl and 1.5" foam, this seat is built for comfort and durability. The foam padding adds a level of comfort only commercial equipment can provide while the vinyl is stretched and sewn onto the seat pad for a stronger, more durable seat. **BOLT-DOWN HOLES** › For added safety, this adjustable bench can be bolted to the floor through 3 pre-drilled holes. **INDUSTRIAL CONSTRUCTION** › The adjustable bench is built with heavy-duty 11-gauge steel. It's also electrostatically powder-coated for a commercial, sleek finish. **CUSTOMIZABLE COLOR OPTIONS** › A variety of color options are available to personalize the adjustable bench to match your gym or specific color preferences. A surcharge may apply.
