FEATURES & BENEFITS

CHEST STATION

200 LB. WEIGHT STACK › Featuring a 200 lb. weight stack, the FreeMotion® 3 Station Gym delivers incredible versatility.
CONVERGING AXIS ARMS › Arms move in a converging axis pattern, providing natural movement and increased muscle concentration.
UNILATERAL ARM MOVEMENT › Arms move independently for single or two-arm exercises in a diverging movement pattern.
HANDLES › Extended handles move independently to add variety with single-arm and alternating arm exercises.
SEAT ADJUSTMENT › Seat adjusts to multiple positions to accommodate all user heights.

LAT PULL-DOWN / ROW STATION

300 LB. WEIGHT STACK › Lat Pull-Down/Row Station features a 300 lb. weight stack.
THIGH PADS › Adjustable thigh pads customize fit, encourage proper posture and isolate the trunk during rotation.
TEXTURED FOOT PLATFORM › Platform features Line-X® coating to prevent user's foot from slipping and pivots up for user to exercise unassisted.
HIGH PULLEY › Sculpt lats and back muscles.
LOW PULLEYS › Tone glutes and lean leg muscles

LEG EXTENTION / LEG CURL STATION

WEIGHT STACK › Leg Extension/ Leg Curl Station features a 200 lb. weight stack.
MULTIPLE START POSITIONS › Leg assembly can be set in one of nine start positions to fit a wide variety of users.
ADJUSTABLE BACK PAD › Users can select from five start positions. Comfortable, back pad is oversized to fit users of various heights and swivels up to 20° for a comfortable range of motion.
ADJUSTABLE THIGH PAD › Thigh pads adjust in height and swivel to fit a wide variety of users.
ADJUSTABLE LEG LEVER ASSEMBLY › To accommodate users of various heights, the leg assembly can be adjusted to one of three positions.
CABLE › Heavy-duty, 1/4" cable is rated to 4,200 lb. minimum tensile strength.
FLOOR PROTECTORS › Made of molded rubber, these guards protect the floor.
SERVICEABILITY › The tower design allows for simple cable service while the removable upholstery allows for easy replacement of wear items.
SEWN PADDED SEATS › Not only do they look nicer, but box stitched and sewn seats are more comfortable and more durable than vinyl seats that are just stretched and stapled to the frame.
