FEATURES & BENEFITS

10" FULL-COLOR TOUCH SCREEN WITH BROWSER POWERED BY ANDROID™ Browse the web* during any workout! With the built-in 10" full-color touch screen and browser Powered by Android™, every FreeMotion® Cardio machine delivers the ultimate motivation to your gym members. Now, they can check the news, read email, watch sports highlights, get on Facebook® and more! Plus, with wireless connectivity and a USB connection, console software is upgradable for the life of the product.

IFIT LIVE™ TECHNOLOGY BUILT-IN Get smarter workouts and faster results with iFit Live™ Technology. Featuring workouts Powered by Google Maps™, training with Jillian Michaels and personalized, goal-specific programs, this wireless technology is the ultimate workout experience! Speed, incline and decline controls automatically adjust to match terrain and maximize results. Now, users can customize their own fitness program, receive automatic workout downloads and manage their profile online.

REFLEX™ CUSHIONING Built like a snowboard for strength and flexibility, the deck responds to the user's movement, absorbing impact at the heel and maintaining stability at toe off. The wood core dampens vibration and flexes to cushion every foot strike while the outer coating bonds everything together for outstanding durability and structural integrity.

17" FREEVISION™ HDTV – OPTIONAL UPGRADE › Add motivation to any workout with this optional upgrade. A wide viewing angle and dynamic contrast and color saturation combine for a beautiful picture. Individual product TVs deliver a more personalized, entertaining workout for every user. The FreeMotion® Cardio consoles feature integrated TV controls and are prewired for a fast and easy upgrade.

5.0 CHP AC COMMERCIAL PRO MOTOR › Dynamically spin-balanced and extensively tested for superior performance in vibration and noise, this brushless AC motor is an essential part of our smoothest, quietest, most powerful drive system.

QUICK WORKOUT CONTROLS › Quickly adjust speed, incline and decline with these convenient console controls. Members can personalize their workout with the touch of a button instead of scrolling through settings found on other equipment.

8" AUTOBREEZE™ WORKOUT FAN › Integrated into the console, this built-in fan adjusts to cool the user's core or face, automatically adjusting the cooling speed to match the workout's intensity. Low, medium and high settings are also available.

SET-A-GOAL WORKOUT CENTER › Users can personalize workouts with this built-in training center. Simply input distance, time or calorie targets and the t11.8 Treadmill adjusts the incline and decline to reach the goal!

BUILT-IN WIRELESS CONTROLS › Connect each machine wirelessly to Cardio Theater, Broadcastvision™ Entertainment, MYE™ Entertainment, CardioVision and Fantaay™ audio broadcasting. Built-in compatibility eliminates the need for other hardware or wires.

ENTERTAINMENT CHARGING STATION › Charge an iPod®**, MP3 Player or phone during any workout with this convenient charging station. A headphone jack allows the user to listen to their music and Jillian Michaels during an iFit Live™ Workout.

*Web browsing feature can be disabled.

**iPod is a trademark of Apple, Inc., registered in the US and other countries. iPod® not included.

***Wireless chest pulse strap not included.
