

LIFESPAN COMPACT TREADMILL | TR200

Description

The compact TR200 treadmill is ideal for light use. At just 11" thin when folded, the small, portable treadmill stores vertically or horizontally nearly anywhere! Making this treadmill perfect for small space living areas such as a condo, apartment, dorm room or motor home. Unlike most treadmills, the TR200 has no assembly required! Just take it out of the box, stand and lock in place, and the treadmill is ready to use in minutes.

[KEY FEATURES]

- Comes fully assembled. Just take it out of the box, stand and lock in place, and the ultra-compact folding treadmill is ready to use within minutes.
- Monitor your heart rate while you exercise.
- Use one of six preset speed programs, go directly to 3-6 mph by pressing the desired speed.
