## Smith Machine

Innova's Smith Machine is a multi-use equipment designed to follow the natural path of movement for pressing, squatting or multi-grip pull-ups. The equipment offers the freedom to move along smooth guide bars without compromising on safety.

### PRODUCT FEATURES

#### Ergonomically Designed

The series features design considerations that provides a natural feel, enhancing the work-out experience.

#### Training Labels

We provide training labels with QR codes to assist your fitness activities.
