Consoles

15" Capacitive Touchscreen Console (Optional)

The 15" embedded touchscreen display adds a premium new look and experience to the already-great Star Trac cardio line. It offers a new user interface design, featuring Star Trac 20 HIIT Programming, RunTV and web-based media access for news, entertainment and workout motivation. With standard features like HDMI streaming, Bluetooth connectivity and TV tuner options, this display has something for every user.

Bluetooth devices compatible with console:

15" Touchscreen key features:

- Global TV tuner options
- Set Top Box Ready display option works with any A/V set up that uses a Set Top Box for each piece of equipment, such as IPTV and Satellite
- Bluetooth connection for user workout data tracking
- NFC connectivity to Apple Watch and Samsung Galaxy Watch
- USB charging port
- HDMI streaming from personal device (with HDMI cable, not included)
- Multiple program options
- Star Trac 20 HIIT Program designed by World Record Holder, Olympic Trials Qualifier and Master Trainer, Sonja Friend-Uhl
- RunTV provides access to a curated collection of virtual environments, fitness videos, feature films and more
- Pre-wired for ECOFIT asset management solution
- Networked product provides access to web-based Apps for in-workout entertainment. Current list of available Apps: YouTube, FaceBook, Twitter, Instagram, Snapchat, Reddit, ESPN, ESPN+, CNN, BBC, NEWSY, The Weather Channel, iHeartRadio, Pandora, Youku, Tencent, iQiyi, Weibo, Sina News, NBA. Display also offers ability within maintenance mode to add one additional App of your choosing.

Full Colour 10" LCD Console (Standard)

The LCD display provides all the functionality you need in a sleek, modern package. With features like a full-color display, quick keys and USB charging, this is the LCD screen that is anything but standard.

*Non-touch LCD Display

Standard Console key features:

- Treadmill includes Quick Keys for one-touch selection of preset speed and elevation settings on the fly
- USB charging port
- Multiple program options
- Pre-wired for ECOFIT asset management solution
- Pre-wired for PVS entertainment option
