

LIFESPAN TREADMILL DESK (FITS UNDER EXISTING STANDING DESK)| TR5000-DT3

Description

The TR5000-DT3 is our high-use treadmill base and console. The treadmill base fits perfectly under most standing desks making it easy to transition your standing desk into a walking desk. The small, contemporary designed console is the perfect size to discretely sit on your desk so it will not get in the way of your work. Unlike most of our other treadmill desks, the thicker walking belt requires little to no maintenance and belt lubrication.

[KEY FEATURES]

- The TR5000-DT3 is designed to work with most standing desks. Simply place the console in a convenient location on your desk and plug the opposite end into the front of the treadmill and its ready to go.
- The small, contemporary designed console is 12.9" L x 2" H x 3.25" D, the perfect size to discretely sit on your desk so it will not get in the way of your work.
