

LIFESPAN MEDICAL TREADMILL | TR8000I

Description

The TR8000i Medical Treadmill pairs robust construction with specific medical fitness capabilities to form the best health equipment available. An impressive 5 HP, permanent-magnet AC motor combines with a spacious 22" x 62" running surface and heavy-duty frame to ensure stability and long-term dependability.

[KEY FEATURES]

- Exclusive LifeSpan technology, as well as industry leading, medically-appropriate proficiencies.
- Reverse belt motion, 3% decline, and full-length medical handrails ensure perfect functionality in medical or rehabilitative settings.
- 2 heart rate control programs for both interval and constant heart rate training, plus 17 programs that can be selected for speed or incline workouts.
