THROWDOWN XTC™ RIGS

The XTC is a hyper flexible rig, carefully engineered to create training zones for groups of members to train simultaneously. Constructed with 4' cross member bars, the XTC comes available in 14', 24' and 34' lengths to accommodate various spaces and group sizes. With a variety of station attachments, the XTC rigs are ideal for functional training. Functional training targets multiple major muscle groups simultaneously and mimics movements that you perform in day-to-day activities.

INTEGRATED STORAGE SOLUTIONS

From Olympic plates and kettle bells, to stability and medicine balls, XTC's integrated storage helps keep your functional fitness space organized and safe.

CREATE REVENUE OPPORTUNITIES

The XTC can be a valuable revenue tool as it can accommodate multiple trainers and members in one space and is ideal for small group and team training.
